Civil No. 05-CV-141-D

Motion for more definite statement Rule 12(e)

Marc Edwards (“Edwards”), by special appearance, moves this Court to order the alleged “petitioner” to make a more definite statement.

The “petition” though clearly a “civil” and not a “criminal” petition, does not indicate if the “petition” is alleging a contract dispute or a tort. Edwards cannot submit a responsive answer until this is clarified; if there are obligations alleged, then Schmoe needs to know the basis of how these alleged obligations were *created*. However, Edwards does not allege *either* one herein.

Done and signed this 1st day of July, 2005.

Marc Edwards.
